SUBJECT: Stand-by for [REDACTED] 25X1A2g

25X1A2g  
25X1A2g  
1. By direction of Mr. Bissell, I yesterday officially informed Colonel Macia, in response to his query, that there was no objection to putting [REDACTED] on a stand-by basis inasmuch as it is our understanding that it would be feasible to reactivate [REDACTED] by support from Wiesbaden within 24 hours after notification.

2. I explained further to Colonel Macia that staging out of [REDACTED] would be conducted by the Commander of Base B with a part of his complement, that after a relatively short stay in [REDACTED] Com- 25X1A6a mander Base B would return to Adana, and that meanwhile if action was required from Adana that portion of equipment remaining at Adana could be used for emergency purposes, augmented if necessary on a 24 hour basis out of [REDACTED] I also indicated to Colonel Macia that Base B would likely continue operational until at least the fall.

3. On the basis of the foregoing, I recommend that you inform your personnel at Adana in order that they can accommodate themselves to plans for putting [REDACTED] on a stand-by basis.

4. It is my understanding that [REDACTED] is informing [REDACTED] 25X1A9a of this decision.
